WHY IT CAN WORK

A strong format for groups looking for a different side of Bali.

Nature setting in Kintamani

The property sits in a strong natural context around Mount Batur and Lake Batur.

A format that feels different from a standard hotel ballroom or conventional resort stay.

Restaurant & Bar on site

An important element for group dinners, meetings, informal gatherings and social moments.

Signature thermal pool

One of the property's main features: the largest thermal pool at a resort in Kintamani.

Outdoor & adventure context

Jeep experiences, hiking, Lake Batur and the volcanic landscape can support group itineraries.

Long-term partner potential

We are interested in ongoing relationships with planners and agencies, not only one-off enquiries.
